

UHF Antenna (Model: TQC-400FCS) (450-470MHz) -- for RD965, HR655

Gain 3.5 dBi, 0.4m antenna length, UHF (male) connector (PL-259), UHF connector mount.

UHF antenna designed for reliable and secure communication. To be used with Hytera digital repeaters

Specifications

Frequency range: 450-470 MHz

Bandwidth: 20 MHz

Connector type: UHF (male) (PL-259)

Gain: 3.5 dBi

Antenna type: TQC-400FCS

Mount type: UHF connector

Dimensions: 0.4 m

Material: Stainless steel

Suitable for: RD965, HR655
