

Specifications of ECN21

Applicable to high-noise environments, such as airports, ports, and construction sites.

Weight

about 350g

Color

black

PTT Key

available

VOX

none

Emergency Key

none

Connector

13-pin connector

Applicable to high-noise environments, such as airports, ports, and construction sites.

Microphone Sensitivity	-42±3 dB @ 1 kHz 3.0 V 2.2 K, 0 dB = 1 V/Pa
------------------------	---

Speaker Power	1 W (rated); 1.5 W (max.)
---------------	---------------------------

Speaker Impedance	2x8 Ω±15% @ 1 kHz
-------------------	-------------------

Speaker Frequency Response	90±4 dB @ 1 kHz 1 W/10cm
----------------------------	--------------------------

IP Rating	none
-----------	------

Operating Temperature	-30°C to 55°C
-----------------------	---------------

Storage Temperature	-40°C to 55°C
---------------------	---------------
